Breakfast is free to all DCPS students!

Let us treat you to breakfast each morning - and enjoy favorites like French toast, scrambled eggs, breakfast sandwiches, yogurt, fresh fruit, cereal, and more.

Locally in DC Public Schools, we serve meals to over 44,000 students in elementary schools, middle schools and high schools. Our goal is to provide the best quality food for each student, one child at a time. **Free and Reduced Applications are available on this site. [CLICK HERE](#) to get them.**

Nourishing students is not only our business; it's our commitment to the communities in which we serve. Chartwells is a diverse family of dedicated food and nutrition specialists serving the academic community. We deliver customized solutions that benefit our partners through innovative programs.

A+ breakfast

Chartwells/Thompson in conjunction with DCPS is launching a breakfast in the classroom pilot at 12 schools across the district. This "new" school breakfast program is designed to deliver convenience and nutrition from the cafeteria to the classroom. The implementation of this pilot will allow students to 'fuel up' for a full day's work! Pre-packaged breakfasts will be delivered to the classroom for each student to partake in. The best part is that all students regardless of status eat for FREE!

The following schools are participating in the pilot:

Beers	Kimball	River Terrace
Brightwood	Malcolm X	Simon
Drew	Moten @ Wilkinson	Stanton
JO Wilson	Raymond	Truesdell

April Breakfast in the Classroom Menu

As we begin the 2008-2009 school year, Chartwells School Dining Services is pleased to introduce the New Chartbusters program. Chartbusters is a year-long program containing nutrition and food education, learning activities and special event ideas. These interactions are developed to maximize cafeteria participation in the National School Breakfast and Lunch program. Our programs focus on the classroom, the cafeteria, and the school community.

Each year elementary level, students follow an adventure of fun and nutrition education with the help from our 3 mascots Theodore Eat, Sydney C. Learn, and Ava Live. These new friends are representatives of nutrition and healthy living! This team will learn about Breakfast, Food and Cultures and Seasonal Fruits and Vegetables. As each mascot makes healthy food choices they will also be spreading the word about good nutrition and healthy eating habits.
